

**Equal Credit Opportunity Act (ECOA)-** A federal regulation which requires lenders to promote the availability of credit to all creditworthy applicants without regard to race, color, religion, national origin, sex, marital status, or age (provided the applicant has the capacity to contract); to whether all or part of the applicants income derives from a public assistance program or to whether the applicant has in good faith exercised any right under the Consumer Credit Protection Act. The regulation prohibits creditor practices that discriminate on the basis of any of these factors.

**Contract-** A written binding document describing terms of an agreement between two or more persons. (Keep all your paperwork. Later if there are any questions you will have your agreement in writing.)

**Annual Percentage Rate (APR)-** The cost of your credit as a yearly rate. APR is a combination of the interest rate plus the fees charged on your loan. APR is higher than the interest rate because it includes both fees and interest as finance charges. It is intended to provide a single value for a consumer to compare the cost of credit between one lender and another.

**Credit History-** A record containing information about you, including your payment history on previous debts.
